

ECS Homeschool Partnership

At Emmanuel our passion for equipping parents to fulfill Ephesians 6:4 transcends educational strategy. ECS wants to support and partner with area families who seek to educate their children at home.

The goal of our homeschool partnership is to help supplement home-based education with the benefits of a school environment to give families the best of both worlds.

Homeschool families have the opportunity to partner with ECS in the following areas.

- Standardized testing
- Athletic Participation
- Fine Arts
- Individual Classes

Fees

Homeschool Partnership Registration: \$100

Individual Class Tuition: (3 course limit)

Homeschool students may take individual courses at ECS for academic credit. They are, however, limited to 3 courses yearly total of any combination. After 3 courses they are encouraged to consider full-time enrollment at ECS.
